Subject: Desert View Power, LLC, Finding and Notice of Violation

Dear Greg Cook:

Enclosed for your information is a Finding and Notice of Violation ("NOV") that the United States Environmental Protection Agency ("EPA") Region 9 is issuing to Desert View Power, LLC, ("Desert View") for violations of the Clean Air Act (the "Act") at its facility located in Mecca, California. The NOV alleges violations of the facility's Title V permits issued pursuant to 40 C.F.R. Part 71; conditions in the facility's PSD permit, as amended, issued pursuant to 40 C.F.R. § 52.21; and 40 C.F.R. Part 63, Subpart DDDDD, as set forth in the Findings of Violation.

If you wish to discuss the enclosed NOV with EPA, you may request a conference within thirty (30) working days of receipt of this NOV. The conference will afford Desert View an opportunity to present information bearing on the finding

of violation, the nature of the violations, and any efforts Desert View may have taken or proposes to take to achieve compliance.

If you have any questions pertaining to this NOV, please contact Yvezee Lapada or Andrew Chew of the Enforcement and Compliance Assurance Division at (415) 942-3785 or have your attorney contact Denise Leong of the Office of Regional Counsel at (415) 972-3409.

Thank you for your cooperation in this matter.

Sincerely,
Roshni
