We have standing meeting with OAQPS today and will ask again about their IRIS submission. Last week they didn't know what OAR would put forward but they'd included Ex. 5 Deliberative Process (DP)

Paul,

The team developing PBPK models for manganese would very much appreciate the opportunity to schedule a meeting with you in October. The specifics about our request for a meeting and possible dates are included in the attached letter. Let me know if you have any questions and whether one of the proposed days works with your schedule.
