List of Class II Wells that have been permitted injection into Hydrocarbon producing formations having a zone TDS of l

1. The following wells were queried from a list of all wells that are associated to a project. All active, idle and newly perm
2. Only EOR well types (Pressure Maintenance, Cyclis Steam, Steam Flood, Water Flood wells) were considered in the que
3. Wells that had no TDS information were included.
4. All the wells are located outside of the Primacy-exempted boundaries defined by the shaded areas in the data sheets c
