Hi Shannon, let me know your thoughts on Petersen and Soquel. You okay on approval for both?

I haven't followed Petersen as closely as Melissa had, I think.... But Soquel seems fine to me. I can send you an official EPA email ....

Hi Marlene-

Thank you for your submittal. I just left you a voicemail. I was wondering what your timeframe might be for turnaround on this.

The reason I am asking is because our banking coordinator Christine Beck retired at the beginning of December and her replacement, Lisa Gymer, is not coming on board until February 18. Lisa will not only need to get up to speed, there are also a couple banks with pending action items ahead of this in the queue. Additionally, I am transferring to another region and today is my last day in this position. (I am cc'ing my interim replacement, Dave Mayer.)

We appreciate your patience as we work to get to full staffing. Please let us know what the constraints are on your end. I may be reached today at the number below if you would like to discuss.

Thank you,

Dear IRT,

Please find attached a request for IRT approval of the 3rd credit release from the Petersen Ranch Mitigation Bank Area E. The Bank Sponsor is prepared to fund the next installment of the endowment pending IRT's tentative approval of this credit release request.

If you have any questions, comments or requests please do not hesitate to reach out and contact me.

Warm regards,
Marlene
