Shaffer

- Survey of Innovative Technology

7-0497

3/3/89

ORIGINAL (RED)

Mark Phillips - IG's office

- Reviewed Shaffer as part of a survey - 6 sites in R III reviewed
- concluded that tech. failed, but it was tested & was a good faith effort -

R III - IG's office engineers determined there was a good faith attempt made of the innovative technology -

- This was a survey - not full scale audit

[talk to Leslie Nicholson for HQ audit]
