- Franklin - Communicate strategy will be critical - how to evaluate risk.

- Mosaic - What about a bull dozer flattening a hill - does that expose more one?

- Mosaic - would you look at epidimiology studies to help us make an informed decision.

- Franklin - we will consider lots of information.

Mosaic had a meeting w/ Stan (mark) - a few weeks ago. (?)

Mosaic - CF - Any Residential Development?
CF - NO
Mosaic - only would be old properties -
Christina.

Would like to have Franklin come see sites (& whomever else).

Mark - Before doing a public activity, Mosaic would like notice so they can be ready to respond to questions.

Franklin said we'd like to have involvement in figuring out how to characterize.

Debbie Wates - Radon construction required by counties

Franklin – Next Steps,

1) Franklin said MB of regulation agency

2) What kind of strategy –
develop how to move forward

3) Risk Communication Strategy

4) Characterization effort – involve
group in this.
