SUMMARY OF COMMUNICATION

Jack had rec'd copy of my memo referring Valley to Enf. for Tom Devine. He wanted us to know that his negotiation with Ford and Reliance were in a very delicate stage and were based on EPA saying we would not take any action (Harvey memo). Jack said if they found out we were reconsidering they would balk at doing anything and Jack would tell the world that he was going Gord and EPA messed up the deal. I tell him I understood his position.

CONCLUSIONS, ACTION TAKEN OR REQUIRED

Recommend Enf. check with Wilson prior to doing anything.
