Lee's Lane
Report of HO is in
Ben Hardy — filed exceptions
Waiting for F.O. from Sec.
Then wait 30 days — seek enf. of order in Franklin Cir. Ct.
Hardy may file appeal w/in 30 days —

Brickyard
They continued 1st hearing
State perf'ing test on barrels @ B4

flash pts & sev'l metals —
1st week in July — hearing tentatively scheduled

call them back * Need assis. from S+A to test samples — to run organic scans — State cld bring 5-10 samples & we run

We only tested for hecta & octa
April 16, 1977 — sampled 30 barrels — one qualitative organic scan — did show 2 priority pollutants

000271

Farm

Lee's Lane methane case
Sent out notice of depos. to keep case alive
Bruce Lane — monitors the site

Valley
Jack Wilson — encouraging gen's to remove barrels —
has been successful in getting response so far
