Lisa and Olivia,

Ex. 5 Deliberative Process (DP)

I'd like to confirm if you'd be comfortable with this approach before proposing it to OLEM. We discussed this recommendation in the senior staff meeting earlier today, and we were all in agreement that the next step was to running it by you.

Thanks, and please let me know if you have any questions. Safe travels.

Ariel

OLEM is considering taking this meeting, with Region 2 and ORCR included. Please let us know if you would be ok with a meeting. Folks here are going to read the letter in full, as there may be other AAships that should be included. Have a good weekend. Becky

I noticed that Cliff, Nick, and Becky were not included on the original email, so forwarding to you.

Would the OLEM IO like ORCR to develop an email response to this letter from Earthjustice?
