Dear Ms. Dwyer,

Thank you so much for all you did to make this week's meeting happen. We are very grateful to you.

In talking with a colleague yesterday, I found that the same EPA staffer seems to be a bottleneck on genuinely addressing issues in the region. We deeply appreciate Dr. Nance, but worry about an intransigent staffer.

Is there an avenue for filing an official complaint? Inspector General? Or...? We don't want to do anything to bring negative attention to the region, but we would like to address this issue.

Please let us know if you have any insight, and deep gratitude for all of your hard work and dedication to our region.

Anne
