SUBJECT
Reilly Tar - expert interviews and future studies

SUMMARY OF COMMUNICATION

We will interview Selkirk at 1 PM, Thurs, 5/20, and Bingham at 12:30 PM, Friday, 5/21; both by phone conference. I will get back to Mike with the phone numbers to call to include the Region in on the calls.

We will do face-to-face interviews with Warshawsky, Kimball, and Thompson in Minneapolis June 9-10, 1982 (tentative dates - I just confirmed it was OK with Bob L. + me).

I reiterated my request for all future studies needed + he waffled a little bit, and had to get off the phone. We promised to talk again this week about it. He did say, however, that he still expected to

CONCLUSIONS, ACTION TAKEN OR REQUIRED

do an epidemiologic study (!)

Bob - I thought we had him unconvinced. He is also not volunteering anything. I'd like to keep the pressure on him to tell us what he's up to -
