- CLs visited the following sites in Point Comfort, Texas:
  - Point Comfort Volunteer Fire Department
  - Point Comfort Public Library
  - Point Comfort City Hall
  - St Ann's Catholic Church
  - Church of Christ
  - Point Comfort Police Department
  - First Baptist Church
  - United Methodist Church

  There was very little water and wind damage in the city; and no debris piles alongside the streets were observed. The facilities were closed on Saturday except for one church where a funeral was being held. Comments are based on visual observation and from interviews of residents.

- CLs visited the Church of Jesus Christ -- Latter Day Saints in Port Lavaca; however, it was closed. Touring the city, it appeared that the debris piles have been removed.
