Re: Surety Bond #K0092317 for Closed Hazardous
Waste Management Facility
Permit No. HW-50000
Haden Road; Houston, Texas

Dear Mr. Forrester:

Thank you for alerting us that Stauffer was maintaining a Surety Bond for closure of a hazardous waste management facility at the closed Haden Road facility in Houston, Texas.

I have enclosed copies of the documentation of closure of the Haden Road; Houston, Texas hazardous waste management facility (Permit No. HW-50000) sent to Mr. Charles Nemir, Executive Director - Texas Department of Water Resources on April 14, 1983.

We request that you return the original Surety Bond #K0092317. We need to return the original bond to our insurance carrier for cancellation.

Your assistance is much appreciated.

Very truly yours,

Daniel McGrade
