EPA Form 1300-6 (7-72) REPLACES EPA HQ FORM 5300-3 WHICH MAY BE USED UNTIL SUPPLY IS EXHAUSTED.

Clyde and Associates, Inc. on their investigation at the Ironwestern site. Ironwestern has sent a copy of the ~~re~~ report to EPA.

- Mr. Karas asked for guidance on looking for "imminent and substantial threat to human health and the environment" at the Ironwestern site in their "windshield survey". I told him I would talk to someone in EPA's Emergency Response Branch and ask them to call and discuss the matter with him.
- Karas believes the PAs will be complete by the end of the first week of ~~May~~.
- I advised Mr. Karas that JoAnn Miller would be the EPA contact for future coordination.
