Subject: Budget prep - Monday Schedule

Good afternoon,

Attached please find the schedule for Monday's budget prep session. Please note that you are only asked to join during the time you are allotted. Please do keep in mind that our schedule is fluid, and we may call/email you a few minutes before or after the scheduled time depending on how things go.

Items highlighted in yellow in the attachment are newly identified areas of interest for the hearing.

Please also note the list of questions below we received from Murkowski's office today – if these issues are relevant to you, please come prepared to discuss.

Bristol Bay-- As part of EPAs May 11th settlement agreement—we have 60 days to withdraw the 2014 determination which is in the middle of the commercial fishing day season. The Senator wants to have as much involvement with the Tribes as possible – and will ask the administrator to have a 60-90 day comment period to give enough time for the tribal commercial fishermen to provide comment.
