☒ PHONE CALL ☐ DISCUSSION ☐ FIELD TRIP ☐ CONFERENCE
☐ OTHER (SPECIFY)
(Record of item checked above)

TO: John Accardi, TRLG Coordinator

FROM: Dean McDaniel, OSHA, Ft Worth

DATE: 7/1/80
TIME: 3:40 pm

SUBJECT: American Cyanamid Ft Worth report of former employee

SUMMARY OF COMMUNICATION

A former employee of American Cyanamid, Ft Worth has notified OSHA that the company may have buried containers of Hydrogen Cyanide on the ground ~1965.

OSHA has sent inspectors to the site to inspect 3 areas identified by the former employee & to interview current employees.

Results

1) OSHA inspectors have not located any signs of buried containers at the designated sites

2) Interviews with present employees has not confirmed the allegations of the former employee

9141272

CONCLUSIONS, ACTION TAKEN OR REQUIRED

OSHA will continue their investigation & will report their findings to EPA when completed. If anything unusual is found, EPA will be notified immediately to assist.
