DRAFT, DELIBERATIVE

Palmer - I pose the following questions/recommendations knowing there is no q process in place and we will not have an opportunity to review/comment on the provisional permit, if proffered. Let me know if you want to discuss the below. Thanks!

Minor Point - The following is awkward and is written as though it is for our management. Shouldn't the Corps know that? Recommend re-phrasing or deleting ... Bottom of page 3.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Again – we will not have an opportunity to review the provisional permit, if proffered to the permittee.

Just thoughts for consideration – maybe others are fine with proposal as is …
