Randy, we got a request for an extension to respond from a company called DCP Mainstream. I did not send anything out under this name. Do you know who this is?

Also is INEOS Polyethylene the same company as INEOS Nova? I have two different AOC pages with different dates.

In an earlier email you mentioned that you had signed AOC pages from the following, however I don't have a copy:
Houston Pipe Company
Louisiana Pacific Corp.
Schneider national Houstson Terminal

Randy, I see that you are going to be in Houston on April 27. We'll talk later about this. I may join you then.

I'll call later today to verify parties that should get the letter from EPA saying we no longer consider you recalcitrant.
