Subject: Wilcox Oil Company Superfund Site

Good Afternoon (b) (6), I wanted to follow-up with you about the potential sampling of your property. Todd Downham and I met with you on March 25, 2015, to talk about the Wilcox Oil Company Superfund Site. I am wondering if you have any additional questions or concerns related to the consent for access that we left with you during our conversation. Please do not hesitate to call me or Todd if you have questions.

Thank you for your time and interest in the site.
