I'm working on better addressing the specific issues that Heidi raises in the context of the draft letter and I need to finish that ASAP for Molly so that is my priority right now

Nothing further from me. I defer to you all on how to/whether to address the issue.

Hi Heidi and Palmer,
Thanks for reviewing – I accepted your revisions to the briefing paper. There are few comment bubbles with exchanges between you – if there are line edits to make as a result, could you please let me know?

Thanks,

Subject: RE: Pebble FEIS Comment Letter - Career Leadership Discussion

Hello career leader group,
I just added an agenda and meeting materials to the meeting invite for tomorrow's call.

In addition to the main focus to discuss the draft comment letter on the FEIS, please see the final draft briefing document for Thursday on SharePoint and also attached. If possible, please provide any edits (SharePoint preferred) prior to our call so we can provide a final version later in the day tomorrow. Chris is checking in with Matt Leopold on the preferred approach for the briefing (group size, etc.), so hopefully we will be able to provide an update on that during tomorrow's call.

Thanks everyone.
