ABBREVIATIONS AND ACRONYMS:

µg/kg	Micrograms per kilogram
ft bgs	Feet below ground surface

QUALIFIERS:

R =	Result is unusable
U =	Not detected at reported quantitation limit

Records for results that were rerun (as indicated by * in lab report) were not incorporated into the the database.

Qualifiers

R =	Result is unusable
U =	Not detected at reported quantitation limit

Records for results that were rerun (as indicated by * in lab report) were not incorporated into the the database.
