Katie Patrick

Transformers on Hope Iron & Metal

Hope Water & Light

Southwestern Electric Power Co. (SWEPCO)

SWEPCO sells to Hope W&L wholesale

11/17/16

Spoke w/ Katie Patrick of ADEQ regarding where PCBs came from and if from transformers, where they came from. As she recalls, people brought stuff to him, not him going out with trucks to get stuff.

She will look through all their records to see what they have.

Mary Pearson interview w/ Anderson, C., Ronald Smith (Red) in ADEQ Hope, 870-777-7585

1. Hope Water & Light
2. Bruner ~~Mill~~ Ivory Handle Mill generated electricity, ~~to~~ Hope W&L, had transformers
3. Entergy (AP&L)
4. ~~SWAEC~~ SW Ark Elec Coop SSREA
5. SWEPCO

Interview w/ Curtis Anderson
via telephone

1. When did C. Anderson purchase Hope Iron & Metal? When did he sell it, or close the business?

2. What type of materials did he recycle?

3. What about transformers? Where did the transformers come from?

4. Any storage tanks on the site?

5. Who owned Hope Iron & Metals prior to Anderson?

6. Did they recycle transformers too?
