Glyphosate Issue Paper- Final.pdf

Hey Tom. See the attached.

Anwar Y. Dunbar, Ph.D., Pharmacologist

Risk Assessment Branch 1

The Human Health Effects Division/ The Office of Pesticide Programs

1200 Pennsylvania Ave, NW

Washington, DC 20460

"I really honestly, seriously believe that everyone is interesting. When people are talking about the things that they know well and do well, they are almost always interesting, and if they're not its generally *your* fault because you're not asking the right questions or haven't made them comfortable."- Malcolm Gladwell, Author of: Outliers, The Tipping Point, Blink, What the Dog Saw, and David and Goliath
