TOPICS DISCUSSED ACTION/NOTES

We met at 10 AM at City Hall with Mayor Dixon, Bill Towery and Mike Hall. Alice asked me to review the project first and explain what we wanted to do today and why

Mayor Dixon was concerned about the project in relation to the city water supply

There was a recent aerial photo in the Town Council room, taken in June 1985 It showed all of Baxter Springs and some of the outlying area Photo was by - Blue Moon Aerial Survey - Duncanville, TX

I reviewed some of the work we have been doing - and plan for this year @ Galena. Also reviewed the Spring River Hydrology program

1030-1200 HRS Field Survey of Baxter Springs area with Mike Hall & Bill Towery. See my field notes for May 12th

1350-1500 HRS - Field Survey of south Baxter Springs area and Treece area with Bill Towery See my field notes of May 12th
