Dear Alice:

Enclosed for your review are 3 copies of the Preliminary Draft Work Plan for the Treece Subsite reconnaissance work. As per our telephone conversation yesterday, I am available to discuss the scope of work and cost estimates with you and respond quickly to EPA directions if you want to reduce the work scope.

We will anticipate receiving EPA comments on or before December 21, and we will resubmit the Draft Work Plan before Christmas if revisions are minor.

Sincerely,
Richard Woos, SM
