1) Dennis Johnson, Asst. Manager Water District Flat River

3) + Bob Overfelt, E&E, FIT 4)

PROJECT TITLE Big River Mine Tailings PROJECT NUMBER FM00616PA

CLIENT

SUBJECT OF CALL Desloge and vicinity public water supply

RESUME OF CONVERSATION

Mr. Johnson told me that the Flat River Water District serves the towns of Desloge, Elvin, Flat River, Leadington, River Mines and Ester Missouri approximately 12,000 persons.

Most of their water comes from sealed underground mine shafts. Except for a well located in Desloge which is pumped from 410', in the Lamotte Formation
