TELEPHONE CONVERSATION RECORD

DATE OF CALL: May 10, 1988 TIME OF CALL: 1515

PERSONS INVOLVED:

1) Ed Huberz, E & E/FIT 2) Marc Rivas, U.S. EPA

3) 4) 913-236-2891

PROJECT TITLE: Big River PROJECT NUMBER: FMO

CLIENT: EPA

SUBJECT OF CALL: RCRA status of site

RESUME OF CONVERSATION:

Marc Rivas returned Ed Huberz's earlier call after reviewing files on the site. He told me (Ed H.) that the Big River Mine Tailings site is on file as not having notified EPA or state of any hazardous waste activities.

Mr. Rivas said state DNR would have more recent information on the site, and suggested I call Kenneth Pervis, 314-751-3176, to verify no change in status for the site.
