Meeting on Pine Ford
1:30 p Situation Room

In attendance Rice, Sprotlin, Ward, Houlihan, Hajinian, West

Mostly discussed coordination on efforts. Indication was that Wagoner should still (-fwow) be given copies or informed of all actions involving Big River Pine Ford.

Letter. I think Rice is convinced letter needs to go out. The meeting will probably be repeated for Frank's benefit. I think it may be signed within the next 2 weeks - maybe perhaps, with luck
