12-30-02 Herculaneum Lead Site HER TO-27

0615 STM R. Schuler leaves office

0715 Arrive on Site. Today's ~~weather~~ is cloudy with a 40% chance of Rain. This AM, Temp's are in the 60's. For ~~the~~ most of the week, there are chances for Thunderstorms. This weeks work schedule will be all Day mon. work 1/2 Day on Tues the 31st. OFF on New years day.

0745 This week - STM Reno will try to round sample (depending on conditions). Also this week, STM's will prepare/begin writing the interim report. Exc will be somewhat limited due to the wetter weather.

0750 STM Reno is on-site.

0800 - Oversee site Activities. Speak with ER's Tim Bland. The ER crew will not be doing anything today. The ~~weather~~ soil is extremely wet, The ER crew will not be working tomorrow either

12-30-02 Herculaneum Road TO-27
