Notes:

X	Not expected to detect this ID, no need to request detections for this ID at this locatio[illegible] array.
*	This location is beyond the tag release location - request detections only when no/lo[illegible] [illegible]ream).
(RB),(MR),(LB)	Receiver location in the river at gates: RB = Right Bank, MR = Mid-River, LB = Left [illegible]
N,S[illegible]	Receiver location in an array, North, South, East or West.
