> Subject: Guy Cave
>
> Jim - Nick Z. called again and asked me about keeping in the loop with MK
> and Bill H. He indicated he has been discussing grading with Bill and
> wants to be sure we are all on the same page. Bill was there and I asked
> him when he would be coordinating survey and grading with MK. Bill
> indicated he and Debbie staked the footprint of the ore processing area at
> the Guy Cave today. He and Debbie thought they could pull in the material
> footprint into the cave, keep room for the processing area, and have
> enough space to dispose of all of the materials at reasonable slopes.
> Surveyors should be there this afternoon or Monday. Thinks it will take MK
> acouple days to develope revised grading plan, so we set Thursday for a
> moring site visit (Nick couldn't make Wednesday). Nick seemed pleased that
> we are moving forward and communicating.
