To SCOTT -

From

Air problem

Scott - not now burning -
only did it for about a yr.
- problem w/ mechanical chipper -
- economically a good deal.
- looked into separate treatment systems -

SCOTT
State has no knowledge of chem.
waste burning -
- DOE was never contacted First-
hand -
phone calls -

Bruce Hollman

Ind. Hygiene Group - looked
into it -

- No record of improper dumping -
enforcement -
