Start Date/Time: Mon 10/26/2015 7:00:00 PM
End Date/Time: Mon 10/26/2015 8:00:00 PM

We wanted to have a conference call with the various agencies and programs to discuss how to address the concerns about potential exposures to vapors associated with the groundwater plume near the Haskell Lake Lodge. The call is scheduled for **2 PM CT today**; the call-in number is **866-763-8521, Access code 396905#**. Please forward to others who should be part of the discussion. For those in the R5 office, you can come down to the ATSDR office on the 4th floor (far SW corner).

Here is a suggested agenda:

1) Site history and current conditions/concerns: Kristen Hansen, Lac du Flambeau
2) EPA investigations- Sherry Kamke
3) Options for conducting vapor intrusion (VI) assessment
4) Contingency plans for actions based on outcome of VI assessment
5) Communication with residents
