Air Permit Renewal

Veolia ES Technical Solutions LLC. (Veolia) has submitted to the U.S. Environmental Protection Agency an application to renew its Clean Air Act Title V operating permit. Veolia, which is located at 7 Mobile Avenue in Sauget, Illinois, stores and burns hazardous waste. EPA deemed Veolia's application complete on September 11, 2013. EPA is currently reviewing the application and plans to propose its decision on the application within the next several months. This website will be updated when EPA makes its decision available for public comment.
