Attached, please find briefing material for Jared's May 22nd, Spare the Air Employer Breakfast event. If you could let me know what other types of information he would like, I would be happy to pull it together.
Thank you,

I have some briefing material for Jared to this keynote on the morning of May 22nd. Should I send it up to you to run it by him. He might ask for things I did not include. Or would you like me to?
Not sure what the process is now. Thanks.
