I feel like I'm the go-between.

Yes, there should be enough material for you to do his self assessment in the Regional org assessment and the SESers self assessments. I'll get both to you. Thanks!

Hey all - in furtherance of our discussion yesterday re preparation for R9 SES EOY PARS, I've confirmed that Jared's self-assessment is due Oct. 11. Shall we reprise what seemed to work well last year? I'm happy to again draft Jared's accomplishments using what I know and key input from Jared and others. Keith, can you again send me the other critical documents - the Org Assessment (per our discussion yesterday, it sounds like that is due to HQ today so it would be great if you could just copy me on the transmittal) and the self-assessments from our folks?

Let me know if you have other ideas as well. Thanks much!
