Dee and Michelle,

Our Loaned Executive will be Dr. Tyrone Long, who is planning to attend the training this week. Please send us any information you might have available for the training. (Michelle shared the locations and times for training with us this morning, but if you have any other information to share beforehand, we would greatly appreciate it.)

Thank you for your patience while we made the arrangements on our end, and let me know if there are any questions.

Hello Tom,
Thank you so much for your organization's support of the 2011 Combined Federal Campaign. The campaign officially opens Sept. 1, so it is important that your representative joins the Loaned Executive team as quickly as possible. We look forward to working with the person and will certainly provide the training needed to be successful in this endeavor.
Regards,
Dee

Dee,

I wanted to let you know that unfortunately we cannot provide you with the name of our loaned executive in time for next week's training. We do expect to have someone for you very soon and will keep you informed as this develops. We would

like to know if it would be possible to arrange a later make-up training session for our person, once we get them on board. I look forward to hearing from you, and please feel free to contact me if you have any questions or concerns.

Thank you,
