I'm not sure where he'll need to travel (nor why there'd be any Q about us paying for it), but in any case WHAT A BARGAIN!! Pretty good start to the week...!

Tyrone,

Thank you for calling me back this morning. As discussed, I am attaching the basic information about the Loaned Executive position at CFC NORCAL. I will also check to see if we can cover the travel for the 3 days of CFC training and let you know later today, when we talk again.

Again, thank you very much for your interest in the HSFO detail, and I will pass along your congratulations to Kathy.

Tyrone,

I was hoping to connect with you last week, but you were out of the office. Please call me this morning, before 9:00 if possible. After that I am tied up in meetings all day.

Thanks,
