Hello Heidi,

Great visit yesterday! Many thanks for the excellent introductions, and substantive meetings on important issues.

I think our actions today are a big step in the right direction on PFAS. I saw the Mlive reports this morning. It certainly underscores the importance of the Governor's actions to date, and our combined response today.

- Bob

Cathy and Bob -

Great visiting with you both yesterday. Thank you so much for coming to Lansing.

See attached. We are working this.

Heidi
