It appears that there is some availability on the 16th from 10-12 and during the afternoon hours of the 21st and 28th. If there are no issues, I can follow up with her about her availability on those dates. This conversation was just going to occur between us and Marianne and not her clients, correct?

I will check schedules and will reach out to Marianne for the (b) (5) Deliberative status update conversation.

OK but is the Q from Marianne related to the litigation or the investigation of the cases? We will provide information and status on the cases as we discuss with complainants but not in the abstract unless that is part of some settlement. So, for example, if she wants and update on (b) (5) Deliberative that is related to the meeting we will be scheduling with her and complainants soon and I am asking Brittany to schedule that meeting ASAP – we have already discussed with region 4. Further, (b) (5) Deliberative is not related to the litigation so not sure about why she is asking Andrew?

(b) (5) Deliberative [redacted]

Brittany and Betsy, can you contact Marianne about setting up a meeting on (b) (5) Deliberative [redacted] in the next couple of weeks – I know we are running up against the holidays but if we need to leave it until January, let that come from her.

Lilian-

She said she is going to send a letter probably tomorrow, but she wanted to know if there is activity with the recipients in Tallassee, (b) (5) Deliberative [redacted] as there seems to be with (b) (5) Deliberative [redacted] I didn't answer, but told her I would check with you. She told Andrew that she would be asking EPA about it.

Thanks, Mary
