---

Hello all,

Mike Herring from CDC requested a meeting to discuss the status of the rodenticide decision. I put something on everyone's calendar for tomorrow morning 9:30 - 10. The call-in number will be [redacted]

Mike, if you need more time let me know and I'll move it to sometime next week.

Also, Rusty and Laura, if this is not enough notice please let me know and we'll schedule for next week.

Thanks,

Susan.
