OK don't she until tomorrow when you have taken a fresh look with fresh eyes. The drop offs are probably my fault. I tried to go back and compare to make sure the FNs went too, but some may have dropped. Sorry!

Doing so now. We have some version control questions, as certain things have dropped off, fn's missing, etc. Trying to clean up. Will recirculate, but need folks to take a close look.

OK thanks Betsy. Kurt will work with this draft to clean it up and share a cleaner version with all tomorrow, including with Ariadne. We are looking to get a draft to Elise/Kevin by end of this week as we put it on our "Weekly" briefing that we gave Kevin last Friday and said this would need his attention. We have our Reg Review with him on Thursday.

Attached are my comments/suggested edits to the version of the Tallassee letter that was sent last night. I just finished my review so Ariadne has not had a chance to look at it yet but I wanted to at least return my staff-level comments today.

I will be out of the office tomorrow through Monday. I will forward this to Ariadne as well, so if you have questions you can check in with her.

Thank you,
