Hi all-

Please see the updated clean and track changes version of the ADEM RFI. Please note there have been some additional edits submitted over the past week and they are reflected in this draft. Particular attention should be placed on the last question in Enclosure 1 which includes 2 options.

I have included Johahna and Kurt for informational awareness.

My only comment is on the paragraph about ADR. Jonathan is correct in questioning whether we should include. I believe that paragraph should be deleted because ADR has not been discussed or offered to either parties. In REACH we did not submit the RFI due to ADR.
