Sorry that I had to leave, I meant to mention to please make sure each alleged harm in the bullet list is addressed in the analysis. I know some are grouped together so I couldn't tell if they were all there.

Also, Mary just mentioned to me that an investigative report may need to be done pursuant to CRM § 4.5. Jonathan, you may want to tab things in the record that support your findings for ease of finding them later for the report.

Thanks,
