Do we have a meeting time? I'll need to book a room so as not to risk not having any rooms available on the 19th. I'll need a time today to guarantee a room for next Thursday.

Tita,

I do not know the answer to that. Some of our conference rooms only have phones. I don't know how to do video hook-up in any event. If Jae does perhaps we can include Sergio. If he cannot fly in we can make it another day, but my options for availability may be limited. In any event, I am not a key person for this meeting. It is important that Jae and Kevin be there. I am involved because the letter went out from the RCRA program office under my section chief's signature. If the 19th does not work we can try to accommodate Sergio, Jae and Kevin at a later date.

Michael,

In the event Sergio is unable to fly in, is there a possibility to video conference him in?

Respectfully,
Tita

It looks like the 19th is good for Kevin and Jae, and probably Mike Cunningham. Please let me know what time slot works best for you.

Thanks

I'll let you know for certain. Check your flights as to what start time is best for you. We'll figure this out (eventually). ☺

It turns out Jae Lee cannot make the 13th, and I think it's more important he be present than myself. My boss is in meetings on the 18th, which would have been good otherwise.

I have a doctor appointment at 11:00 am on the 19th, which is why I suggested the two time slots. We can meet 10:00-11:00 am, but I would leave a little early.

I do think the 19th would be the best day for that week, while next week is not good as there's no day to accommodate Sergio and Jae as Jae will be out of the office the 13/14th.

Complicated, huh? ☺

Tita,

I'm having difficulty getting everyone on the same date. I suggest Weds the 19th at one of two times: 9:00 am – 10:00 am or 1:00 pm – 2:00 pm. I doubt the meeting should take more than an hour, and if it does I will probably excuse myself early.

Let me know if those two time slots work.

Thanks
Michael

Tita,

Kevin will be there because he drafted the letter and he, not myself or Jae, will primarily do the CBI substantiation review. We are meeting to listen to your bases for the CBI claims and to facilitate your response. By all means, if Tradebe would prefer its attorney be there, we can push things back.

Michael

Good morning Michael,

I was not planning on having an Attorney but if you are I will need to have our Attorney present. She is currently on vacation and will not be returning until the week of the 17th. Is that week going to be acceptable? I will reach out to her now to check her schedule and get right back to you.

Tita,

July 13th may not work for all. Is July 12th ok?

Please check and get back. Also, who do you anticipate attending from your people?

We will have Kevin Chow, attorney, Mike Cunningham, Jae Lee, myself and possibly Mary Setnicar and Gary Victorine (awaiting confirmation on Gary).

Thanks,
Michael
