Hi Ashley-

The Glen Cove IDA would like to request a conference call to discuss the overall schedule for review and approval of the Li Tungsten SMP and how it relates to the proposed waterfront redevelopment plans. They understand that any technical questions related to the SMP would have to be deferred until the USEPA and NYSDEC are prepared to discuss the most recent comments on the SMP.

The GCIDA was hoping you would be available during the late morning on Monday May 20th . Please let us know your availability and we will send out a meeting request.

Thank you,
