I will do that. FYI, Stephanie Epply just informed me she's now unable to attend. I removed her name from my meeting agenda
copy.

I think that makes sense considering the number of participants, Doug. Thanks.

We now have 90 minutes on the calendar for Wendy and others from the EPA team. Will send updated agenda with all the names.

How long do you think the meeting will run, Doug? I have people planning flights…

Faye

Here is the agenda for the meeting on Monday. Please share with Mike, Mark and Robin. Let us know if any other people are attending so we can get them on the security list.

And please let Mike Cooley know that we will allow ten minutes for his ppt. I believe he wanted some time to walk through a ppt.

We can print off copies if that would be helpful.

Let us know if there are any questions or clarifications needed. We can also send a list of EPA attendees to you if that is useful.

Please plan to arrive 15 minutes to go through security.

Have a nice holiday.

Thanks, Doug
