Ruben,

I can't go because I have a meeting that afternoon. You can go in person if you want to connect with TCEQ in person.

Guy wants to drive up to Addison to talk with TCEQ in person. Either of us can go with them or we can tie in by phone.

Guy,

We have a fleet car reserved from 1:00 until 4:00 on Thursday afternoon, so we can drive up to the Coop to meet with TCEQ in person if you want. It's one of the Ford sedans. TCEQ is supposed to arrive by 2:00, and they will need to depart by 4:00 to ensure they make the public meeting in Frisco that starts at 5:00.
