Hi Karen – many thanks for setting up this folder and providing access. I have just uploaded LRS' submission, comprising the main LOI document (pdf) and a supporting materials folder comprising 16 documents. I would be grateful if you could check your side that these documents are all showing and if so, provide confirmation and notify the WIFIA program team of our submission.
Please let me know if you are not seeing these documents (17 in total) and we will try again.

Many thanks in advance!
Klair
