---

Yes, EPA plans to take samples the week of Jan 19. I am not sure of the exact day, but can find out when it gets closer.

**Subject:** Glen Isle: Groundwater sampling

I wasn't certain if you said last week that EPA is planning on sampling the monitoring wells soon.

If so, Myralee and I were talking about asking if we could split samples next time they are collected.

Please keep us in the loop so we can make timely arrangements.

Thanks.

Ellis
